President's Message

Dear Exhibitors,

Welcome to Fresno, CA and the 2012 Greater California Show. We hope you have a good time and enjoy our show. There will be plenty to do and see for all our exhibitors. We will start our show on Friday when you can coop in, enjoy a spaghetti dinner and visit with old and new friends. Parents, please get your youth to the show on time and check in between 8:30 and 9:00 for showmanship on Saturday. We will have a full food booth that will be serving breakfast and lunch, so instead of eating at McDonalds, please join us for breakfast. There will be many exhibits and exhibitors and many people to meet who are willing and able to answer questions about breeding, conditioning, and showing pure bred poultry. Please take advantage at our show and ask your questions. There will be a sale area that should be selling show quality poultry. Ask around and find out who has the best birds. There will be several club and special meets for your breeds. Please let me know if you don't see your specialty club in our specialty club meets list. Please give our judges room to judge and stay out of the aisles that are being judged. If your bird wins Open or Junior Champion of the Class, please help us out and move your bird to championship row. We will try to judge as quickly as we can and will judge Champions of the show by 4:00, so you can collect your awards and start your drive home. Please respect our coop out time and do not coop out early. I will be walking around and hopefully I will have a chance to chat with you for a few minutes. Take care and have fun.

Alan J. Gallegos - President
